

BARCODE LABEL PRINTING SCALE

Model: (XSZ-107T)

Features:

Barcode Label Printer Scale with Pole

1. Pole display or without pole display option.
2. Green LCD display(negative).
3. Dot matrix display can display different language
4. RJ11 for cash drawer, RJ45 for Ethernet, RS232 for external scanner, RFID etc..
5. USD interface for mass storage Label Printing Scale

- Body Structure: ABS scale body with stainless steel tray
- Tray Size: 350 × 250 mm
- Display: 5 LED green color including 1 dot-matrix (Dual Side)
- Print Type: Continues Thermal label printer with auto peel
- Label Width:40~60mm, Length:30~120mm
- Interfaces: USB, LAN, RS232 & RJ11
- Functions: Price Computing, PLU, Hold, Accumulation, TARE, Zero, Kg/Lb., Print, Auto Calibration, Auto Zero, programmable print format, reports
- Software: Simple and easy to use
- Multi language support: English, Arabic, Farsi, Japanese
- AC 110-240 V
- Over Load Protection

Main Specifications:

Model	TM-A -30
Capacity	30kg
Division	5g
Pan Size	350 × 250 mm
Structure	Electronic Scale
Class	III
Display	Tare: 4 digit
Digits	Tare?4 digit, Weight?5 digit, Unit Price?6 digit, Total?7 digit
Display & Size	Dot Martrix?160*32 LCD
Weight Units	Kg, Lb
Functions	Price Computing, PLU, Hold, Accumulation, TARE, Zero, Kg/Lb., Print, Auto Calibration, Auto Zero, programmable print format, reports
Adaptor	AC 110-240 V
Operating Temperature	-10?C ~ +40?C
Product Weight (approx.)	9 Kg
Warranty	1 Year
Origin	China
Precision	1/3000
Shortcut	80
Shape	Square
